# One more than a double

**Find the double. Use it to solve the sum just below it.**

3 + 3 = _____

3 + 4 = _____

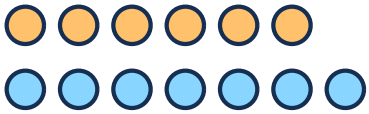

---

5 + 5 = _____

5 + 6 = _____

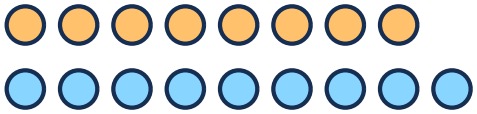

---

6 + 6 = _____

6 + 7 = _____

---

8 + 8 = _____

8 + 9 = _____

---

The second sum has one extra counter.
