Answer key

Seats on the express

Subtract the seats taken. How many seats are still free?

All seats minus seats taken

Car	Your calculation	Free seats
Car A	32 − 14	18
Car B	46 − 28	18
Car C	55 − 19	36
Car D	63 − 35	28
Car E	72 − 46	26

Which car has the most free seats? Show how you know.

Car C has 36 free seats, more than any other car.
