Answer key

Pack the team lunches

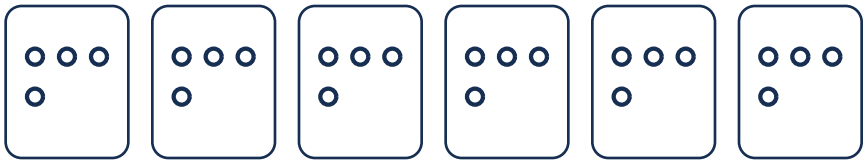

Share each snack equally. Show your groups and finish the equation.

18 crackers in 3 bags. How many per bag?

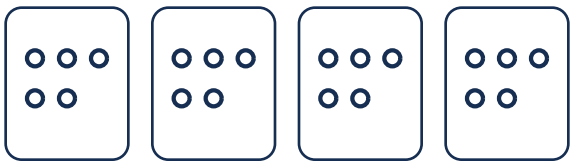

18 ÷ 3 = 6

24 grapes in 6 bags. How many per bag?

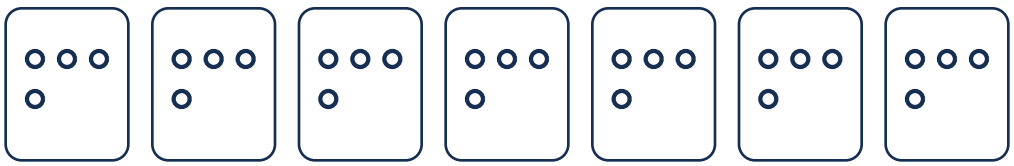

24 ÷ 6 = 4

20 pretzels in 4 bags. How many per bag?

20 ÷ 4 = 5

28 berries in 7 bags. How many per bag?

28 ÷ 7 = 4

Use dots to show the snacks in each bag.
