Answer key

Quarters in the quilt

Shade each quilt patch as directed. Every small square is the same size.

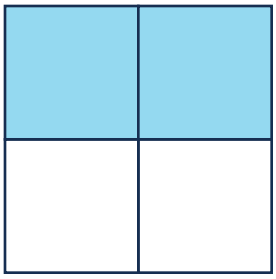

Shade 1 of 4 squares.

Fraction

1/4

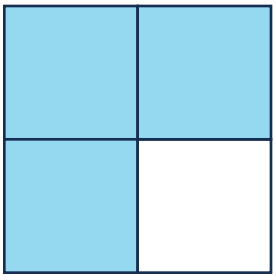

Shade 2 of 4 squares.

Fraction

2/4

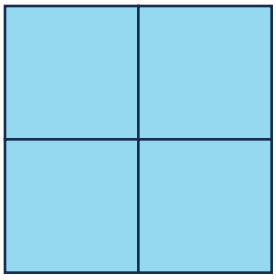

Shade 3 of 4 squares.

Fraction

3/4

Shade 4 of 4 squares.

Fraction

4/4

Which patch is half full? Explain how you know.

2/4. Two of four equal squares cover half the patch.

You can shade different squares and still show the same fraction.
