Answer key

The fraction garden

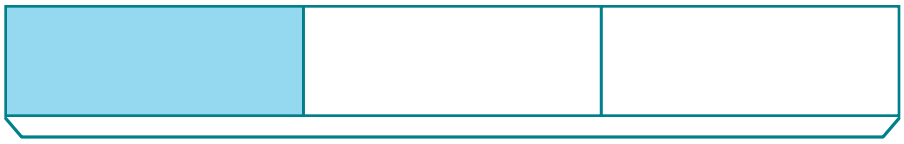

Shade the planted plots. Write the planted fraction of each whole bed.

Plant 1 of the 2 equal plots.

Fraction 1/2

Plant 1 of the 3 equal plots.

Fraction 1/3

Plant 3 of the 4 equal plots.

Fraction 3/4

Plant 2 of the 6 equal plots.

Fraction 2/6

Plant 5 of the 8 equal plots.

Fraction 5/8

Which planted part is larger: 1/2 or 1/3?

1/2, when the gardens are the same size.

Other arrangements with the same number of shaded plots are correct.
